WHO ?

1. Students from all fields are invited: maximum 32 participants
2. International teachers invited to develop one of the 8 topics

MORE INFORMATION ABOUT THE BIP

1. Five intensive days of training using the **HACKATHON** method to develop **SOFT SKILLS** through different ways:

- **Academic experts** invited to develop one of the BIP topics
- **Company sessions** led by experts from renowned Belgian or international companies
- Learning by **doing and playing**
- **Case studies** that students will have to solve in teams all over the week

2. Online courses (April-May) to learn about **SOFT SKILLS**

- Time Management
- Teamwork
- Interpersonal communication
- Creative thinking
- Analytical thinking
- Critical thinking
- Problem solving
- Decision making

3. The last day is dedicated to the presentation in teams of a case study in front of a panel of experts.

4. Erasmus + programme scholarship (short term mobility)

And also Social activities:

6. **Sightseeing** of Liège, located in the center of Europe (2 hours from Paris, Amsterdam, London, ...)
7. An **unforgettable experience** in an international setting.

WHERE ?

An exceptional venue as the BIP will be held at the Château "Domaine provincial de Wégimont" : www.provincedeliege.be/wegimont.
